Needed: Sunday School Volunteers for Grades 1 - 4

To make the Grace Sunday School program successful for the children, volunteers are needed to facilitate classes. *No experience is necessary.*

Parents of Sunday school students are encouraged to volunteer for 1 or 2 rotations (1 rotation = 3 Sundays - *see below*) **throughout the school year.** Each 3 week rotation consists of teaching the same lesson to 2 different groups of children (1st /2nd graders, and 3rd /4th graders). *It is recommended for volunteers to arrive at 9:05.* Lesson plans and supplies will be prepared and provided for you. A *Shepherd* (experienced Sunday school volunteer) will roam the Sunday school area to collect offering and attendance and to assist *if needed.*

Please check all the dates that you would be most likely able to volunteer to teach Sunday school. (Notice that no holiday weekends are included in the dates given below.) *Checking these boxes is not an obligation and does not commit you to those particular weeks.* The purpose of this feedback is to know when it is best to contact you to volunteer. You will always be contacted by Julie Jensen by phone or email (525-8322 or tjensen@kc.rr.com) to arrange and confirm your volunteer dates and receive lesson plans.
