

GUMC Sunday School Volunteers

You don't have to have kids in Grace Sunday School to help!

If you would like to teach Sunday school or help in any other way, then please mark the areas you are interested in, and the volunteer coordinator will contact you!

To make our program successful for the children of Grace, we need your help in many ways.

Please prayerfully consider where you will put your talents and blessings.

No experience is necessary in any of the areas listed.

Here are the areas that we need you...

GREAT Adventure TEACHER (1st – 4th Grade rotation): Lesson plans and supplies will be provided. A rotation consists of teaching the same lesson for 3 Sundays in a row.

I will (please check all that apply):

- Volunteer for one or more Rotations (3 Sundays=1 Rotation)
- Volunteer to be a substitute teacher when needed.

SHEPHERD: The Shepherd is the contact person on Sunday mornings for the teachers. You will rotate with other shepherds so it may end up being monthly. Responsibilities include room set-up (lights, chairs, etc), distributing station basket (supplies) to each station, collecting offering & attendance by the end of class. Shepherds are also needed to help teachers with children who may be disrupting the class or who need some extra help with a project, especially in creation cave and jungle gym. *Being in the area of the Sunday school classrooms from 9:15-10:15 is required.*

- I am interested in volunteering as a Shepherd.**

PROVIDE SUPPLIES: Purchase supplies as needed for the Sunday School activities.
